ABOUT ME

My background comes from field experience in Animation and Multi-Media Journalism. Always pushing the limits to move forward in motion graphics and emerging technologies, I'm highly self-driven and constantly looking to improve upon my skills. I excel both in collaborative and solo settings where storytelling is central to design.

EXPERIENCE

- 2024

Creative Content Creator and Play Group Leader
 Downtown Dogs / San Jose, California, United States

 - Employed efficient video editing skills to meet daily content creation demands, ensuring same-day turnarounds and effectively capturing the dynamic atmosphere
 - Photographed canine guests, curating personalized report cards on the Gingr platform to provide an intimate portrayal of each dog's daily temperament
 - Led playgroups, fostering a secure and enjoyable environment while contributing to the daycare's social media presence through engaging images and short-form videos

- 2023-2024

Animator and Designer
 Freelance / San Jose, California, United States

 - Produced work for a variety of design related projects including logo design, short form video social media edits, and explainer videos
 - Pursued personal creative passions by authoring a children's book and illustrating stories with a focus on kindness, creativity, and education

- 2022

Aero Community Manager, 3D and AR Product Marketing
 Adobe Inc. / Silicon Valley, California, United States

 - Curated priority artists' work to meet the needs of creators and affiliates from a diverse background of disciplines and artistry working in the immersive AR space
 - Drove social posting and collaborated to write, create, and design Aero social media for Twitter, Instagram, Facebook, TikTok, Discord, and other platforms
 - Managed production coordination and digital asset management to continually improve the content production process across the company

- 2021-2022

Innovation Advisor, Innovation Experience Group
 SAP / Palo Alto, California, United States

 - Led creative and story-centric presentations inside the SAP Immersive Experience interactive theater, presenting enterprise software to customers
 - Produced compelling industry relevant storylines and multi-media assets to be implemented across SAP Immersive Experience locations
 - Created self-help guide decks and tutorials to enable rapid rebranding of previously created content on a multitude of business specific scenarios

- 2021

Senior Creative Multi-Media Manager, Customer Innovation Office
 SAP / Silicon Valley, California, United States

 - Provided artistic and technical leadership to creative multi-platform demos for Fortune 500 clients, while working cross-functionally to support global design teams
 - Ensured project goals and milestones were met across a team of designers
 - Oversaw equipment procurement, budget, and onboarding of new hires
